

GRADUATE MFA APPLICATION INFORMATION

Thank you for your interest in the MFA program in media arts at UCLA Department of Design Media Arts (DMA). Applications to the MFA program are due **January 4, 2025**. This is a strict deadline. Please plan ahead to avoid any unexpected technical delays at the last minute. Late, incomplete, or hard-copy applications will not be considered.

Use this MFA Application guide to help prepare your materials for electronic submission via the UCLA Application for Graduate Admission (<http://www.grad.ucla.edu/apply>).

We remind applicants that this is an MFA program in media arts. It is not a graphic design program. Portfolios of those interested in pursuing the study or practice of traditional graphic design will not be considered. If you have any questions regarding the application, please contact dmainfo@arts.ucla.edu or visit our website at <http://dma.ucla.edu>.

Students are accepted into the MFA program in media arts based on evidence of academic achievement and creative talent. Select your best current works that represent your media emphasis and potential for advanced specialized study.

Portfolio Requirements

- A portfolio consisting of up to 10 pieces of original work is required.
- Up to 5 out of the 10 pieces can be videos. Each video may not exceed 2 minutes.
- Still images, interactive media, and sound will be accepted. Interactive projects such as websites or games should be submitted as a still shot or video. A still shot or video documentation of an interactive project can also be accompanied by a URL link to the actual project.
- URL links to videos longer than 2 minutes must be easily matched with the submitted work.
- A maximum of 5 URL links are allowed.
- For work samples from collaborative projects, please indicate your role(s) in the project.

Portfolio Restrictions

Although the application may allow flexibility in uploading options, please follow these DMA-specific restrictions.

- Do NOT upload PDF files.
- Do NOT upload PowerPoint files.
- Do NOT upload GIF files.
- DMA's MFA program in media arts is **not a graphic design program**. Traditional graphic design portfolios will not be considered.
- URL links entered in project description fields will not be reviewed. **URLs should ONLY be uploaded separately and easily matched with the associated project.**
- Images should not contain titles or descriptive text about the work, but should rather represent the work itself. Please use the details section for each image to add additional information as noted above. Due to technical constraints, avoid images with extreme

aspect ratios except where this is an integral part of the piece. Applicants should aim for common aspect ratios (i.e. 1920x1080).

- Work created using AI and Machine Learning systems should clearly state the use of these systems and the conceptual underpinning of their use.

After you upload your materials, please visit the "Your Portfolio" tab and for each upload click on the "Edit Details" link. On the pop-up menu please provide a relevant title, year, size, medium, and a description of the upload. You will be able to re-order your uploaded media.

File Sizes and Types

We support media files as large as 5GB, but please be advised that larger files will take longer to upload from your Internet connection and may stall if you are on a wireless connection or one that cannot sustain a connection for the necessary period of time. We support the following file formats:

- **Video:** .3g2, .3gp, .avi, .m2v, .m4v, .mkv, .mov, .mpeg, .mpg, .mp4, .mxf, .webm, .wmv
- **Audio:** .aac, .m4a, .mka, .mp3, .oga, .ogg, .wav
- **Slide:** .bmp, .jpg, .jpeg, .png, .tif, .tiff
- **Link:** can be uploaded but must be re-ordered to match with the associated project

6) ACADEMIC HISTORY & TRANSCRIPTS

Transcripts from all educational institutions attended (beyond secondary school or community college) must be uploaded. Unofficial transcripts will be accepted during the application process. Official transcripts and documents are only required **after** if you have been admitted.

If you are a university/college senior, do not wait for senior-year grades before submitting your application and transcript. If you are admitted provisionally, you will be required to submit your final transcript showing the degree has been awarded with the date of conferral. The department must receive the final transcript prior to the first month of the quarter. Failure to send final transcripts will result in a hold on your student account.

List academic awards, prizes, honors, fellowships, or other distinctions you have received. You may also list your publications and any scholarly or professional organizations in which you hold membership.

8) RESUME/CV

Please upload your resume or CV.

It is also used to assess your ability to write coherent and convincing prose.

Please respond to the following. Your statement can be up to 500 words in length. You do not need to answer every question; focus on the elements that you feel are most relevant to your candidacy.
